```
graph BT; A[AspNet.Identity.MySQL.IdentityUser] --> B[IUser];
```

A UML class diagram illustrating inheritance. At the top is a box labeled 'IUser'. Below it is a larger box labeled 'AspNet.Identity.MySQL.IdentityUser'. A blue arrow points from the bottom of the 'AspNet.Identity.MySQL.IdentityUser' box up to the bottom of the 'IUser' box, indicating that 'AspNet.Identity.MySQL.IdentityUser' inherits from 'IUser'.
