

IDocumentationProvider

IModelDocumentationProvider

WebApiAttributeRoutingSample.
Areas.HelpPage.XmlDocumentationProvider

```
graph BT; A[WebApiAttributeRoutingSample.Areas.HelpPage.XmlDocumentationProvider] --> B[IDocumentationProvider]; A --> C[IModelDocumentationProvider];
```

The diagram illustrates a class hierarchy. At the bottom is a box representing the class `WebApiAttributeRoutingSample.Areas.HelpPage.XmlDocumentationProvider`. Two blue arrows originate from this box: one points to the `IDocumentationProvider` interface box on the top left, and the other points to the `IModelDocumentationProvider` interface box on the top right. This indicates that the bottom class implements both interfaces.
